

BUNTS COLLEGE OF HIGHER EDUCATION (NIGHT COLLEGE)

REPORT ON BLOOD DONATION

15th August, 2021

On a fine morning of 15th August 2021, 75th Independence Day, Bombay Bunts Association organized a Blood Donation Camp in the college. The initiative was taken by the youth wing of Bombay Bunts Association, Bunts Institute for Higher Education (Day College) & Bunts College of Higher Education (Night College) in collaboration of Apollo Hospital, (blood bank department), Navi Mumbai.

The team from the medical practices including 2 doctors and few nurses arrived at the college premises before the scheduled time and the program was started exactly at 10:00 a.m. in the college basement.

Mr. Shashikant Rai, Youth wing Chairperson of Bombay Bunts Association was the Chief Guest of the humanitarian program. He was given a warm floral

welcome by all the committee members, teachers and the students. He also expressed his views towards the conducting blood donation camp and its importance.

Students from Bunts Night College Donated Blood

11 students from our college donated blood to save somebody life in the society. Many other people also participated in blood donation camp. Certificates and refreshment has been provided to every donor. Donation of blood is a very critical and crucial for saving lives many patients and those who have met with accidents.

The event was ended at 4:00 pm with making sure that the donors were kept healthy and hearty after donating blood.
