REPORT ON GURUPURNIMA

Date: 23rd July, 2021

Bunts College of Higher Education – Night college celebrated Gurupurnima festival with great joy. The festival conducted both online and offline. Every teacher and the students were asked to express their views on the importance of Gurupurnima. The program begins with chanting of guru mantra dedicated to the teachers. Speeches and shlokas were read out by Prof. Manoj Gurav. He highlighted the importance of the Guru in our lives.

One of the most important lines from the speeches is given below: ‘This Gurupurnima, reflect on your life and honor the wisdom that life has offered. It is a day to be grateful. When you see how wisdom has transformed your life, you feel grateful for all that has come your way. Celebrating this feeling of gratitude is Guru Purnima.’

On this occasion all the non teaching staff and the very few teachers presented in the college felicitated the Principal, Dr. S. S. Bhandari. The Principal explained the role of a Guru in student’s life. As it was online, some funny games have been arranged for the students. Beside this all the teachers were also instructed to generate the feeling of respect, humanity, sincerity, culture awareness and national integrity among the the students before starting the online lecture. We thank our Principal Dr. S. S Bhandari and College management for allowing us to conduct such a nice program on online platform.
