

Bombay Bunts Association's BUNTS COLLEGE OF HIGHER EDUCATION (NIGHT COLLEGE)

Industrial Visit Report

Date : 12/2/2019

Bombay Bunts Association's Bunts College of Higher Education, Night College obtained professional courses such as BMS & BAF. As per the University of Mumbai curriculum, it is essential to visit the industries for the exposure of the students and the knowledge sake. So the Night College organized two days Industrial visit with the prior permission of the parents, teachers and the management. The visit was fixed between 3rdFeb to 4thFeb 2019 at Silvasa, Gujrat. This time the opportunity was given to Khushi Travels. The day approached and all the formalities were completed till 2nd Feb, 2019.

There was a great craze from the students as they came to know about the industrial visit. 85 students from all the streams, BAF, BMS and B Com. enrolled their names for the industrial visit. These students were guided and escorted by 7 teachers and 3 non teaching staff. Two buses were arranged for the visit.

The Journey of Industrial Visit Started on 3rdFeb, Sunday at 7.00 a.m. from the college. Students were given breakfast at Kamat Restaurant near Ghodbandar Road around 9.30 a.m. All the students reached at Silvasa at 12.00 noon.

The group leaders of the different groups were allotted the rooms. After the Lunch, students visited Deer Park and Butterfly Garden to enjoy the beauty of nature. It has been observed that many plants scientifically laid for the fodder of butterfly and for laying the eggs. The entire team came back to resort Khanvil around 05.00pm. Students also enjoyed swimming in the evening. On 3rd Feb, there was DJ Night followed with delicious dinner.

Next day morning, on 4thFeb 2019 after breakfast students visited in Alok Textile Industry nearby Silvasa. They use to manufacture world-class textiles, apparel fabrics, garments and polyester yarns selling directly to manufactures, exporters, importers, retailers and brand the world over. During industrial visit students interact with the manager very effectively. Many students asked about the manufacturing process, export and import of the cloths. Many students interacted directly to the production manager about the marketing and placement system.

After the industrial visit students came back to Khanvel Resort where they took lunch and later proceeded towards Navi Mumbai. In between snacks was also provided on the way. Everyone reached at Navi Mumbai at 06:30p.m. with loaded thoughts and full of happy mood. We thank to Kushi Tours and Travels for arranging beautiful Industrial Visit. It was a memorable Industrial Visit for all.
