**Report on the 78th Independence Day Celebration & Blood Donation Camp -
2024**

Date: -15th August 2024

Introduction

The 78th Independence Day was celebrated with great enthusiasm and patriotism at our institution. All the management committee members joined the celebration. The honourable President unfurled the flag. There was full of echo of National Anthem. It was the great time to remind and salute to our freedom fighters.

Reminding the slogan given by Subhash Chandra Bose” "Give me blood, and I shall give you freedom”, we have organized free health check up and blood donation camp on this auspicious occasion. The event was marked by a series of activities aimed at fostering community health, cultural awareness, and academic excellence.

The initiative of the celebration was taken by Internal Quality Assurance Cell (IQAC) in collaboration with the National Service Scheme (NSS) and the Department of Lifelong Learning and Extension (DLLE) of the Night College students.

Free Health Check-Up & Blood Donation Camp

A key highlight of the celebration was the Free Health Check-Up and Blood Donation Camp, organized in collaboration with Apollo Hospital. The camp aimed to provide essential health services to the community and encourage the spirit of donation among the participants.

A team of doctors and healthcare professionals from Apollo Hospital conducted comprehensive health screenings. These included basic tests like blood pressure, blood sugar, and BMI measurements, along with consultations on general health issues. The camp served hundreds of participants, including students, staff, and local residents.

Blood Donation Camp: The blood donation drive saw active participation from students, teachers, and staff. The collected blood units were donated to Apollo Hospital's blood bank, contributing to the critical need for blood supplies. The event highlighted the importance of regular blood donation and its role in saving lives.

Cultural Function

On the same day, the Cultural Committee organized a vibrant cultural function that celebrated the rich and diverse heritage of India. The program featured various performances by students, including:

- **Traditional Dances:** Performances of classical and folk dances from different regions of India showcased the country's cultural diversity.
- **Patriotic Songs:** Students sang patriotic songs that instilled a sense of pride and unity among the audience.

- **Skits and Plays:** Theatrical performances depicted significant events from India's struggle for independence, reminding everyone of the sacrifices made by our freedom fighters.

Prize Distribution Ceremony

The day concluded with a Prize Distribution Ceremony to honor students and teachers for their outstanding achievements in various fields. Awards were given in categories such as academic excellence, sports, cultural activities, and social service. The ceremony aimed to motivate students and faculty to continue striving for excellence in their respective domains.

The 78th Independence Day celebration was a resounding success, bringing together the community in a spirit of patriotism, service, and cultural pride. The event not only commemorated India's independence but also emphasized the importance of health, cultural heritage, and academic excellence in nation-building. The collaborative efforts of the IQAC, NSS, DLLE, and the Cultural Committee made this event a memorable one for all participants.
