

## BUNTS COLLEGE OF HIGHER EDUCATION (NIGHT COLLEGE)

### ORIENTATION PROGRAM FOR SY & TY (BCOM/ BAF & BMS)

29<sup>th</sup> June, 2021

The orientation program for the undergraduate students of SY & TY (B.Com, BAF & BMS) was organized on 29th June, 2021 at online platform Google Meet. Students and teachers of Bunts Night College were formally welcomed and introduced to the culture of the college. Prof. Parui Santu gave a brief introduction about the college with the rules & regulations they need to follow for the new academic year 2021-2022.

Dr. S. S. Bhandari, Principal of the college gave the instructions to the students regarding the time table for online lecture. College will conduct lectures on online platform that is Google Meet. All the notes and the presentation which the teachers used during their teaching will be uploaded in the Google classroom individually. All the students will get all major updates in the College website so they need to check and keep them updated.

Academic Activities & Seminar are been arranged for the current academic year 2021-2022. Students need to show the interest and maximum participation in all the activities & seminar which will help students to grow and gain more knowledge. They can enhance their subject knowledge more with the competition market. College Placement will help students for an interview and conducting the interview in the campus.

Exam dates will be updated. Students need to prepare all the assignment and study materials. They should be aware about the dates and form submission process. Students should not arrive on the last day for the submissions of the exam forms.

Vote of Thanks was presented by Prof. Manoj Gurav; Overall, it was a fruitful and enriching experience for the Students & Teachers, staff and all members of the College.
