BUNTS COLLEGE OF HIGHER EDUCATION (Night College) JUINAGAR

Report on NAAC Accreditation Successful

4/5/2024

Bombay Bunts Association's Bunts College of Higher Education- Night College began the journey of NAAC (National Assessment Accreditation Council) six month back. The team of the teachers and non-teaching staff worked war level and crossed all the hurdles. We submitted SSR (Self Study Report) and DVV (Data validation and verification) perfectly and successfully without delay. The time appear when we received the message that NAAC Peer team is going to visit in our Night College on 25 and 26 April, 2024. It was very hectic as we never thought that the NAAC Team will visit to the college so early.

(The Principal waiting the Chairperson at the Airport)

(NAAC Peer Team Members)

All things were maintained formally and well planned with the deep support of the management. The NAAC Team Visit was done in excellent manner. Finally we got victory on 2nd May, 2024 when we received the mail regarding NAAC – “B” Grade awarded to our college.
