

SCHOLARSHIP

Scholarship boost the morale of the students those who really need for their higher study. Seeing the poor condition of the family and the eagerness of the student towards the study, the Principal began social networking. In this regard, the Principal, Dr. S.S. Bhandari met various NGO's and requested to help the students. Due to whole hearted effort and the personal relationship, I was able to provide the scholarship through NGO's to the following students.
