

Bombay Bunts Association's Bunts College of Higher Education – Night College

TREE PLANTATION

Month of June Report

Date : 05/6/2026
Venue : College premises
Objective : To Maintain the Environment
Participant : Students, Teaching, and non-teaching staff

Bombay Bunts Association's Bunts College of Higher Education Night College organized Tree Plantation in the college premises on 5/6/2026. On the occasion of Environmental Day, our NSS students planted trees along with the Principal and teachers. It was just like a celebration. Some special kind of plants purchased and planted in the campus to maintain the environment and to create awareness among the students about the evergreen environment.
