

National Library Day Celebration - 2026

Date : 12/8/2026
Venue : Library
Objective : Awareness of reading habit
Participants : Teachers & Students

On the occasion of **National Library Day** on 12th August, 2026, a special program was organized in the college library to honor the invaluable role that libraries play in academic and personal growth.

The event was graced by our respected Principal, **Dr. S. S. Bhandari**, who delivered an **inspiring speech**. In his address, the Principal highlighted the importance of reading habits among students and emphasized the role of libraries in schools, colleges and society. His words left a deep impact on the students and encouraged everyone to make better use of the library facilities. The Principal also suggested to the students to read about the life story of the founder of Library Science, Dr. S. R. Ranganathan.

Our Assistant Librarian, Mrs. Jyoti Auti, played a **key role in organizing and managing the event efficiently**. Her dedication, enthusiasm, and meticulous planning ensured that the program was conducted smoothly and successfully. Several students and faculty members attended the event and appreciated the initiative.

Mrs. Jyoti Auti

Librarian
